The anticipated dollar value of this contract award is \$1,000,000 over a three-year period, beginning 8/1/05 and ending 7/31/08. Pricing is based on discounts from the Tra-Ser Pro Plumbing Software as published by Trade Service Corporation. The terms of the RFP permit the award of a primary, secondary and tertiary contractor, per line item, per geographic zone. Awards as follows:

North Zone – Lincoln Supply LLC and Madison Plumbing Supply

Central Zone – Lincoln Supply LLC and Madison Plumbing Supply

South Zone – Ace Plumbing & Electrical, Bridgeton Plumbing & Heating, Lincoln Supply LLC and Madison Plumbing Supply

Therefore, although, the RFP permitted the award of up to three contractors for each line item in a geographic zone, there were only a maximum of two eligible bidders for each line item in the North and Central zones. For the South Zone, the maximum of three awards per line item was possible for most line items, resulting in awards to the four South Zone vendor shown above (Note: Four vendors will receive awards but only three awards per line item are being made. Not all vendors were low enough to be awarded each line item, therefore, even though four (4) vendors may appear in a line item, be sure only the lowest three priced vendors per region are used).
